**RE: Port of Oswego Central New York Regional Agricultural Export Center Expansion
City of Oswego, Oswego County NY
Solicitation of Lead Agency Status
EDR Project No. 20041**

Dear Mr. Smith:

The Port of Oswego Authority (POA) is submitting this Lead Agency Solicitation letter in accordance with the State Environmental Quality Review Act (SEQRA) review for the above referenced project.

As you may know, the POA is proposing to expand and modernize the grain storage facilities on the East Terminal Wharf to improve the Port's capacity and efficiency of agricultural product movements between ship, rail, and truck. All work will be completed within the developed East Terminal Wharf where these operations currently occur. Additional information about the proposed action is provided in the attached Environmental Assessment Form (Part I).

In accordance with the SEQRA, the POA desires to conduct a coordinated SEQRA review among Involved and Interested Agencies, with the POA serving the role as Lead Agency. On behalf of the POA, we request that you provide, within thirty (30) days of the date of this letter, concurrence that the POA be designated as the SEQRA Lead Agency for this action.

If you have any SEQRA-related questions, please contact Andy Mavian of Environmental Design & Research, Landscape Architecture, Engineering & Environmental Services, D.P.C. (EDR) at amavian@edrdpc.com or (518) 451-9150. General project questions should be directed to myself at wscriver@portoswego.com or 315-343-4503.

Sincerely,

William Scribner,
Executive Director
